This service is available to early learning professionals that are interested in designing a customized plan for their professional growth. This service is based on the theory and practice support regarding the Occupational Standards

- **Standard One:** Protect and promote the psychological and physical safety, health and well-being of each child
- **Standard Two:** Develop and maintain a warm, caring and responsive relationship with each child & with the group of children
- **Standard Three:** Plan and provide daily experiences that support and promote each child's physical, emotional, social, communication, cognitive, ethical, and creative development
- **Standard Four:** Use observations to assess children's skills, abilities, interests and needs
- **Standard Five:** Recognize signs and symptoms of emotional or developmental delays or challenges and take appropriate action
- **Standard Six:** Establish and maintain an open, cooperative relationship with each child's family
- **Standard Seven:** Establish and maintain supportive, collaborative relationships with others working in the child care setting
- **Standard Eight:** Establish and maintain collaborative relationships with other community service providers working with the child
- **Standard Nine:** Reflect on one's own knowledge, attitudes and skills and take appropriate action

The Plan can include:

- Accreditation Objectives
- Adult/Child Interactions Support
- Workshops (theory & practice support)
- Planning & Programming Support
- Current Information on Emerging Practices
- Networking Potential with other professionals via ARCOE bulletin board.
