Portfolio Resource Kit

ARCQE is pleased to offer the Portfolio Resource Kit created to serve as a guide in assisting programs/agencies in developing supporting evidence required to complete the accreditation portfolio. The portfolio is reflective of the following sections as outlined in the Accreditation Self-Study Manuals and are colour coded for ease of use the Resource Kit.

This new resource serves as a helpful checklist in addressing Site Visit requirements. These materials are intended to serve as a supporting resource, reinforcing the “Current, Clear, Comprehensive” guidelines used by the Accreditation Agency in reviewing portfolios and alone do not ensure success.
