It is ARCQE's pleasure to welcome for the first time to Alberta a trainer/author of the **Afterschool Program Assessment System (APAS)** from Wellesley College, Massachusetts. The APAS was designed specifically for after-school programs that serve youth in Grades K-8 and programs that have regular/consistent programming. For more information on the APAS go to www.niost.org.

This Symposium is for

Front-Line Staff
Administrators
Parents
Children (age 10-14)
Community Stakeholders

The Community of Practice Open Space Session is used to gather knowledge and input from all parties invested in quality School Age Care Programs.

Funding Possibilities:

Bursary Funding

Professional Development Funding
