

ADVOCACY

Newsletter: Spotlight on Resources: Tools for Child Advocacy That Help Make Ideas Stick (Volume 50, Spring 2008)

By: Infant Mental Health Promotions (IMP)

Summary: Magic of mealtime communications, impact of immigration status on children, nurturing awareness of diversity, developing an attachment service and training model, make the connection parenting programs, about face international.

A Canada Fit for Children

Book: A Canada Fit for Children: Canada's Plan of Action in Response to the May 2002 United Nations Special Session on Children

For: Government of Canada

Edition: 2004

Book: Woman, Power, and Politics

Funded By: Status of Women Canada

Edition: Unknown

Summary: This book aims to explore how women can create more power in today's political systems. The more we learn about the power women can harness in politics, the closer we come to gaining more victories - victories such as raising women's status in society, achieving economic equality and security, and creating freedom from bodily harm by eliminating violence against women and achieving peace in the world around us.

Portfolio: From Patchwork to Framework: A Child Care Strategy for Canada
By: Child Care Advocacy Association of Canada
Edition: Unknown

Summary: This is a policy document of the Child Care Advocacy Association of Canada. It is both a detailed blueprint outlining the funding and policy components essential to developing an accessible, effective, and accountable child care system and a yardstick against which public policy and progress can be measured.
