# ARCQE Presents

## Promoting Media Literacy in Children

**Register**

**Early**

“Media literacy aims to enable children to be skilful creators and producers of media messages, both to facilitate and understanding as to the strengths and limitations of each medium, as well as create independent media.” This workshop explores the role of the teacher in creating an environment that supports children in developing intrinsic skills to filter and regulate their consumption of media. In this workshop participants will explore:

1. Stages of Media Literacy
2. Role of Critical Thinking in regards to Media Awareness
3. Strategies to Integrate Technology into the Environment
4. Hands-on activities to Experience the additional methods of using Technology with Children

Fee: \$40.00 PTL Program Member   \$60.00 Non-Member   • Handouts relating to the workshop. • Course certificate for successful completion of the workshop.
