# ARCQE Presents

## Back to the Basics of Play

**Register  
Early**

Play ...is an extremely important element in the lives of children since it helps them develop and foster life skills, creativity, imagination and a positive self- image [Fiona Roland's]—"The Value of Play"

This workshop has been designed to support Early Childhood Professional working directly with children. This is a "back to basics" session geared to Level 1 and 2 Professionals or anyone looking for a refresher on the Basics of Play.

**Participants will:**

Become familiar with some of the current research on play.

Be able to describe the importance of play in the early childhood environment

Participants will consider these concepts: developmental appropriate practice; follow the child's lead; extending play experiences

Be able to recognize the importance of planning for play and in creating an inviting environment for play

**Fee: \$40.00 PTL Program Member   \$60.00 Non-Member   • Handouts relating to the workshop. • Course certificate for successful completion of the workshop.**
