## Leading the Right People the Right Way

Leading an effective team in a positive work environment supports quality service delivery. This workshop offers a foundational basis on which to lead child care organizations and their staff. Recruiting and retaining top talent in a tough economy and with tight budgets is vital to an organization's success. Whether your organization has engaged in accreditation or not, this workshop will empower leaders to strengthen their organizations into the future. This leadership workshop can be adapted to meet the needs of various groups including child-care teams, management, owners, boards of directors, and principals.

### Who should attend?

This workshop is designed for leaders at all levels within the child care industry who wish to enhance their skills to lead their organization and their people into a quality service future. Accreditation standards will serve as a base for this leadership training. This workshop will be delivered as a full-day training session with the potential of on-site expansion - based on your organization's individual needs. Leadership styles: Connecting leadership to child care success. Applicable pre-workshop articles will be posted to this site prior to your scheduled training.

### Workshop Overview

This workshop will be delivered as a full-day training session with the potential of on-site expansion - based on your organization's individual needs.
